About Junior Achievement

WHAT IS JUNIOR ACHIEVEMENT?
Junior Achievement is the largest, fastest-growing non-profit economic education organization in the world. In operation since 1919, Junior Achievement reaches more than 8 million elementary, middle, and high school students in the U.S. and another 1,000,000 students in almost 100 countries worldwide. This year, Junior Achievement of Southern Nevada Inc. will reach more than 21,000 students in Clark County.

WHAT DOES JUNIOR ACHIEVEMENT DO?
By partnering business with education, Junior Achievement recruits volunteers to teach economic-oriented lessons for students in kindergarten through 12th grade. Volunteers make five weekly visits at the elementary level and 8 visits at the middle and high school levels. These hands-on activities supplement the regular classroom curriculum. Volunteers become role models to students, presenting important life concepts through their diverse outside perspectives.

HOW DOES JUNIOR ACHIEVEMENT WORK?
Junior Achievement secures the funding and recruits the volunteers to provide programs to elementary, middle and high schools. Corporations, industries, small businesses, foundations, individuals, and others contribute financial and volunteer resources, as do various organizations that also want to invest in the quality of local education.

WHAT ARE JUNIOR ACHIEVEMENT’S PROGRAMS?
Sequential, age-appropriate activities are designed for each grade level. This highly-interactive curriculum stresses the relevance of education to the workplace, and helps prepare students for lifelong learning.

- **The Elementary School Program** includes themes for kindergartners through fifth-graders. The themes extend from ‘Ourselves’ - for kindergartners - to ‘Our Nation’, which compliments the fifth grade curriculum. The programs illustrate how people assume roles as individuals, workers, and consumers in an expanding environment.

- **The Middle Grades Program** is for sixth through eighth-graders. It promotes three central themes: the economics of households, the economics of businesses and the economics of the world marketplace. There is a particular emphasis on staying in school, including an examination of the personal and societal impact of not completing a high school education.

- **The High School Program** focuses on workforce readiness. It prepares young people for their future roles, whether on the job or in continuing their education. Activities are geared toward real-world training through a series of programs that help students develop the knowledge, skills, and attitudes to become productive citizens and workers.
Bowl-A-Thon “Lingo”

BOWL-A-THON
The Junior Achievement Bowl-A-Thon is held annually to assist in generating funds and to help meet the increasing demands for our in-school and after-school financial literacy programs. This year’s goal is to raise a total of $100,000 in an effort to assist in reaching more than 21,000 kindergarten - 12th grade students in Clark County.

COMPANY COORDINATOR
The Company Coordinator works with Junior Achievement to organize the Bowl-A-Thon within their company. The coordinator will recruit Team Captains, promote the event within their company and keep teams informed of important goals, dates and deadlines.

TEAM CAPTAINS
Team Captains will recruit four team members to complete the 5-person team. Team Captains will motivate and monitor the team’s progress towards achieving the financial goal.

BOWLERS
Bowlers may be anyone age 18 or older who is willing to collect funds and be part of the five-person team. A Bowler is usually a company employee, but may be a friend or relative. There is a $10 non-refundable registration fee required of all Bowlers. For this fee, each Bowler receives bowling lanes for 2 hours, shoe rental and a lucky raffle ticket.

COLLECTION OF FUNDS
In an effort to help fund Junior Achievement’s financial literacy programs, each team will have a goal of raising $500 ($100 per person).

SPONSORS
A sponsor is anyone who is willing to make a flat contribution for your participation in the Bowl-A-Thon. Sign up as many sponsors as possible. Team members can ask friends, family, co-workers, vendors, neighbors and acquaintances.

PRIZES
There will be great games and giveaways at the bowling center. All bowlers will have a chance to participate in the activities and win some fantastic prizes.

DAY OF EVENT
The Bowl-A-Thon will take place on Saturday, October 19 and Sunday, October 20 at Sam’s Town Bowling Center. Team members need to meet at the bowling center 20 minutes before their assigned time.
Successful Fundraising Ideas

ASK AND YOU SHALL RECEIVE!
Don’t let the thought of someone saying "no" stop you from asking for a pledge. Simply ask 10 people for $10 - parents, siblings, significant others, bosses, friends, neighbors, co-workers, etc.

CONNECTIONS, CONNECTIONS, CONNECTIONS!
Some of the most successful bowlers get their big bucks by asking vendors and suppliers to support them (see sample Vendor Request Letter).

INTERNAL RAFFLES & AUCTIONS!
Go through your company "goodie closet," or ask company employees to donate items. Sell tickets for an internal raffle or auction off the items to the highest bidder.

CASUAL DAYS!
Create several casual days for all employees with a fee of $10 - $20 to participate. Split proceeds among bowlers or put towards a corporate sponsorship.

FRONT ROW PARKING!
Sell the boss’s parking space for $10 - $25 per week until Bowl-A-Thon.

FOOD FOR THOUGHT!
Host an all day bake sale in the employee lounge or a lunch time cookout in the parking lot for co-workers and neighbors to raise additional dollars.

DOUBLE YOUR MONEY!
Many companies offer a "Matched Giving" program, where they match the amount given by an employee.

THE POWER OF TEN!
Ask ten people for $10! It’s that easy!

IT’S PAY BACK TIME!
Who did you give money to last year? It’s time for them to support your cause.

FREE FRIDAY!
Give comp time or a “Free Friday” to the employee or team raising the most amount of money.

CANDY SALES!
Order candy from See’s Candies to sell to employees, customers, friends or family.

When asking for a donation, for some, face-to-face contact can be uncomfortable. Instead, try sending a letter. We recommend you also enclose a postage-paid return envelope to make responding to your letter as easy as possible.

Dear Jen:

If you are like me, you may receive many requests for charitable contributions each year. You may want to be generous but few of us have the resources to respond adequately to each one. It takes some thought to narrow down the list of causes of a few where you can make a difference. I have found an organization were I know I am making a difference and which I am proud to support with both my time and money. This organization is Junior Achievement of Southern Nevada, Inc.

Junior Achievement means business. It teaches students the principles of America’s free enterprise system through a learning-by-doing approach. Junior Achievement has programs for students from kindergarten through twelfth grade that are helping students to see the socio-economic results of dropping out of school. With a student dropping out of school every five seconds of every school day, this awareness needs to become a very real part of their lives. Junior Achievement is making a difference in our community with programs reaching 21,000 students in Southern Nevada.

On (Date), you will find me at Sam’s Town Bowling Center along with co-workers and friends. We will be bowling in Junior Achievement’s annual Bowl-A-Thon, raising money to support the work they do for the youth of Southern Nevada. I have pledged to raise a minimum of $100 and I hope I can count on you to help by writing a tax-deductible check to Junior Achievement for $10 or more. I have even enclosed a postage-paid envelope to assist you in responding.

Thank you for your time and consideration. Your contribution is truly an investment in the future well being of our community.

Warmest Regards,

Ima Bowler

Frequently Asked Questions

The following information will be your guide through the coming months. Please use it to answer basic event questions about your participation in Junior Achievement’s Bowl-A-Thon

What is Bowl-A-Thon?
Bowl-A-Thon (BAT) is an exciting event that allows everyone to get involved. Companies recruit participants who then form teams of five. The teams raise donations in order to qualify for prizes. On a specified date, all the teams from one company assemble to bowl. This is a great team building event and a good time had by all.

How do I get my company involved?
To get your company involved, choose a Company Coordinator (or volunteer yourself). The Company Coordinator then contacts Junior Achievement to sign up. After your company is signed up to participate, the Coordinator is responsible for finding Team Captains and participants.

How much is it to participate in Bowl-A-Thon?
There is a $10 registration fee per bowler. This covers two games of bowling, ball, shoe rental, and a lucky raffle ticket. The registration fee does NOT factor in to prize eligibility. Please register for event prior to your bowl date.

When is the money due?
Registration and donations, including lane fees, are due to your Team Captain on/before October 19.

How do I (the bowler) sign up?
Signing up is easy through our website. All bowlers must register online prior to the bowl-a-thon!!! Not only does it give you an easy way to fundraise, but it makes keeping track of your donations a lot more efficient. If you are your company’s coordinator, definitely encourage participants to sign up online by the deadline so that you are more able to keep bowlers accountable.

When should I sign up?
Please sign up AT LEAST three weeks prior to your company’s bowling date. The Bowling Centers request a head count and team rosters in advance so please register online as soon as you decide to participate.

Are my contributions tax deductible?
YES! Due to JA’s 501c3 status, all contributions are tax deductible. Included in this manual is a receipt that includes the JA tax ID number. Please fill in your sponsor’s donation amount before you give them their receipt. Registration fees are NOT tax deductible.

When and where is the event held?
Saturday, October 19 and Sunday, October 20 at Sam’s Town Bowling Center

How long is Bowl-A-Thon?
The day of the event is 2 hours. Bowlers should arrive 20 minutes prior to their scheduled start time to allow for check in and shoe rental. After two hours, the alley must shut off the lanes to
prepare for the next group so it is vital your group show up on time or they will not get to finish their games.

**How do I win prizes?**
Bowler: To be eligible for prizes, individuals must raise a minimum of $200.

**When will I get my prizes?**
Prizes are given out approximately one month after your bowling date.

**Can I bring a friend?**
YES! The more the merrier. We encourage Team Captains to recruit teams of whoever they choose: friends, family members, co-workers, neighbors, etc. If your friend just wants to attend the event and NOT raise donations or pay the registration fee, THEY MAY NOT BOWL but are welcome to observe.

**Can I bring my children?**
You can bring your children to the bowling center. Parents must be responsible for monitoring their own children.

**What are the various methods of payment for donations?**
We accept cash, checks (made payable to Junior Achievement), or credit cards online (Visa, Master Card).
